PART ONE
AT NERO'S FEET

TIVOLI, ANNO DOMINI 58
My Lady… I do not understand…
..shouldn't we offer sacrifices to please God?
© DOFANTASY.COM
No, dear young Serife...
...the Lord doesn't want sacrifices. What could we possibly give the Master and Creator of All?
Those are the teachings of Peter...
our Lord doesn't need us, ...we need his love.
...it is God who sacrifices himself for us...
To save us, Jesus Christ shed his own blood.
Cut the crap, bitches!

We've heard enough to burn you all in the Circus!
Christians! Heretics!
Oh my God, they found out...
How did you get in??..
In the name of the senate and the Roman people,
you all shall be taken under arrest.
Come on men, get hold of those rebels!!
NO! pleasmmghl...
Bung up all their fuckholes!
Mmgh!
What's going on here? Those are my slaves, stop this violence immediately!
I can't!
According to Simon the Wise, you Christians make use of your body's orifices to conceal vipers and venomous needles.

Are you Cleia.. daughter of Sione?
This house is seized, with all its slaves, therefore you have no rights over them anymore..
As for you...
By virtue of my Patrician rank you shall be kept under my personal custody and therefore be spared from unnecessary humilations...

This whore's buttocks... are as tight as a stone...

those who follow the
dreadful superstition
known as Christianity
will be held
in prison and
marked forever
with the symbol of
their shame!

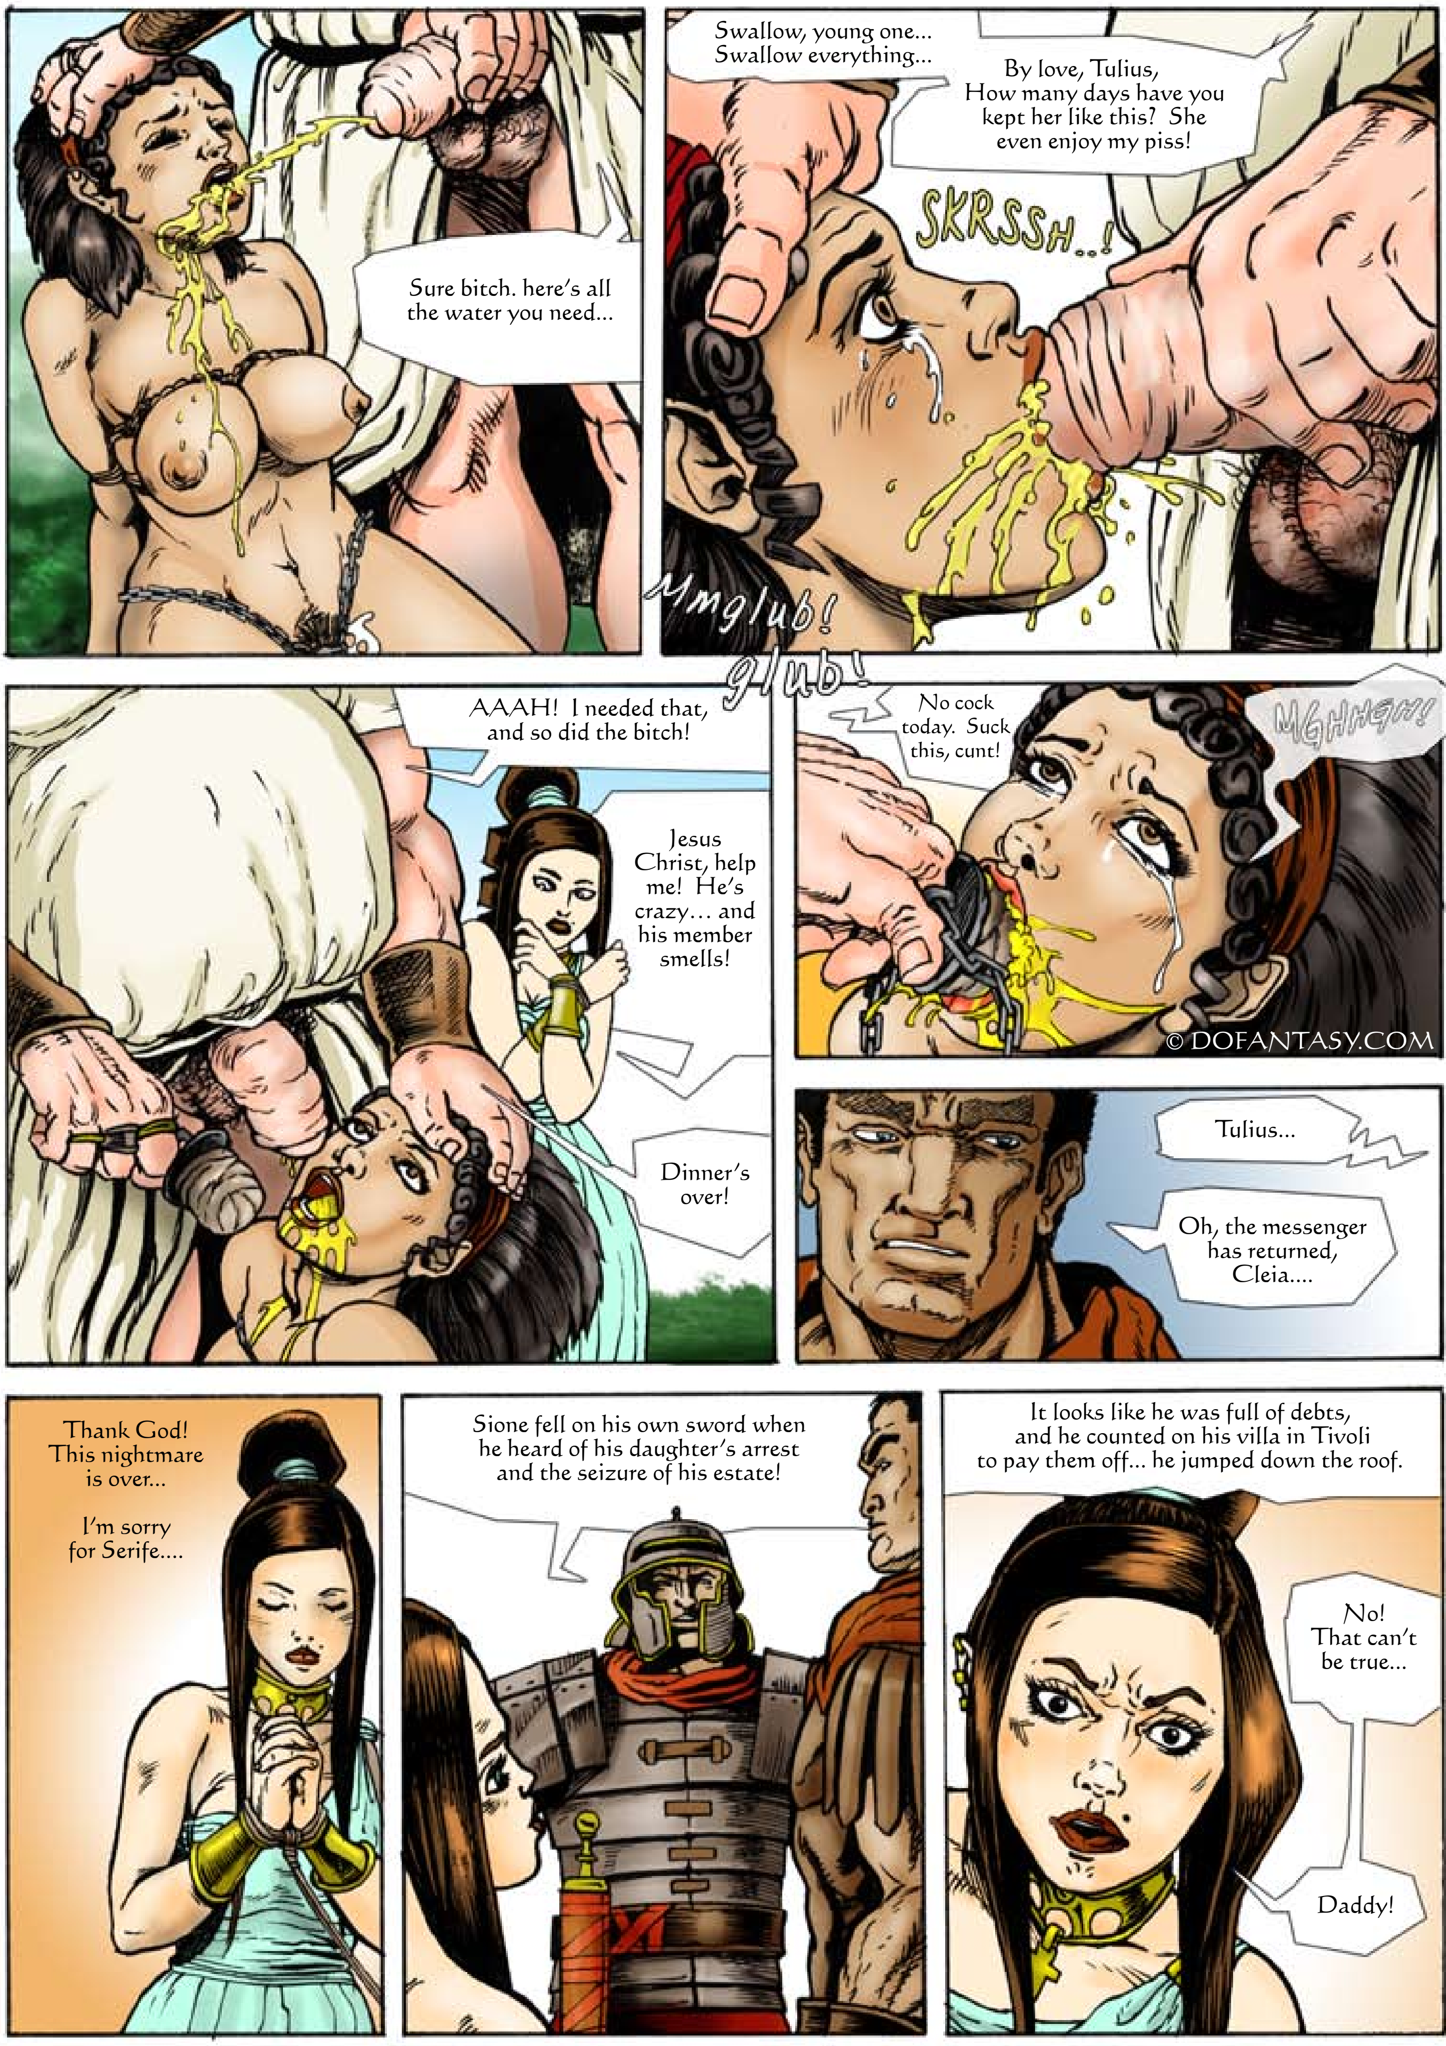

This mark shall be placed near to their hearts...
...and those who bear the brand shall be banished, condemned slavery or put to death!
Proceed to the marking, Cestio!

Oh my God, my God!
It is too late to regret it Cleia! If you had any regard for your slaves...
...you would have kept them out of your criminal schemes.
Come on, mark the others and stack them on the wagon.

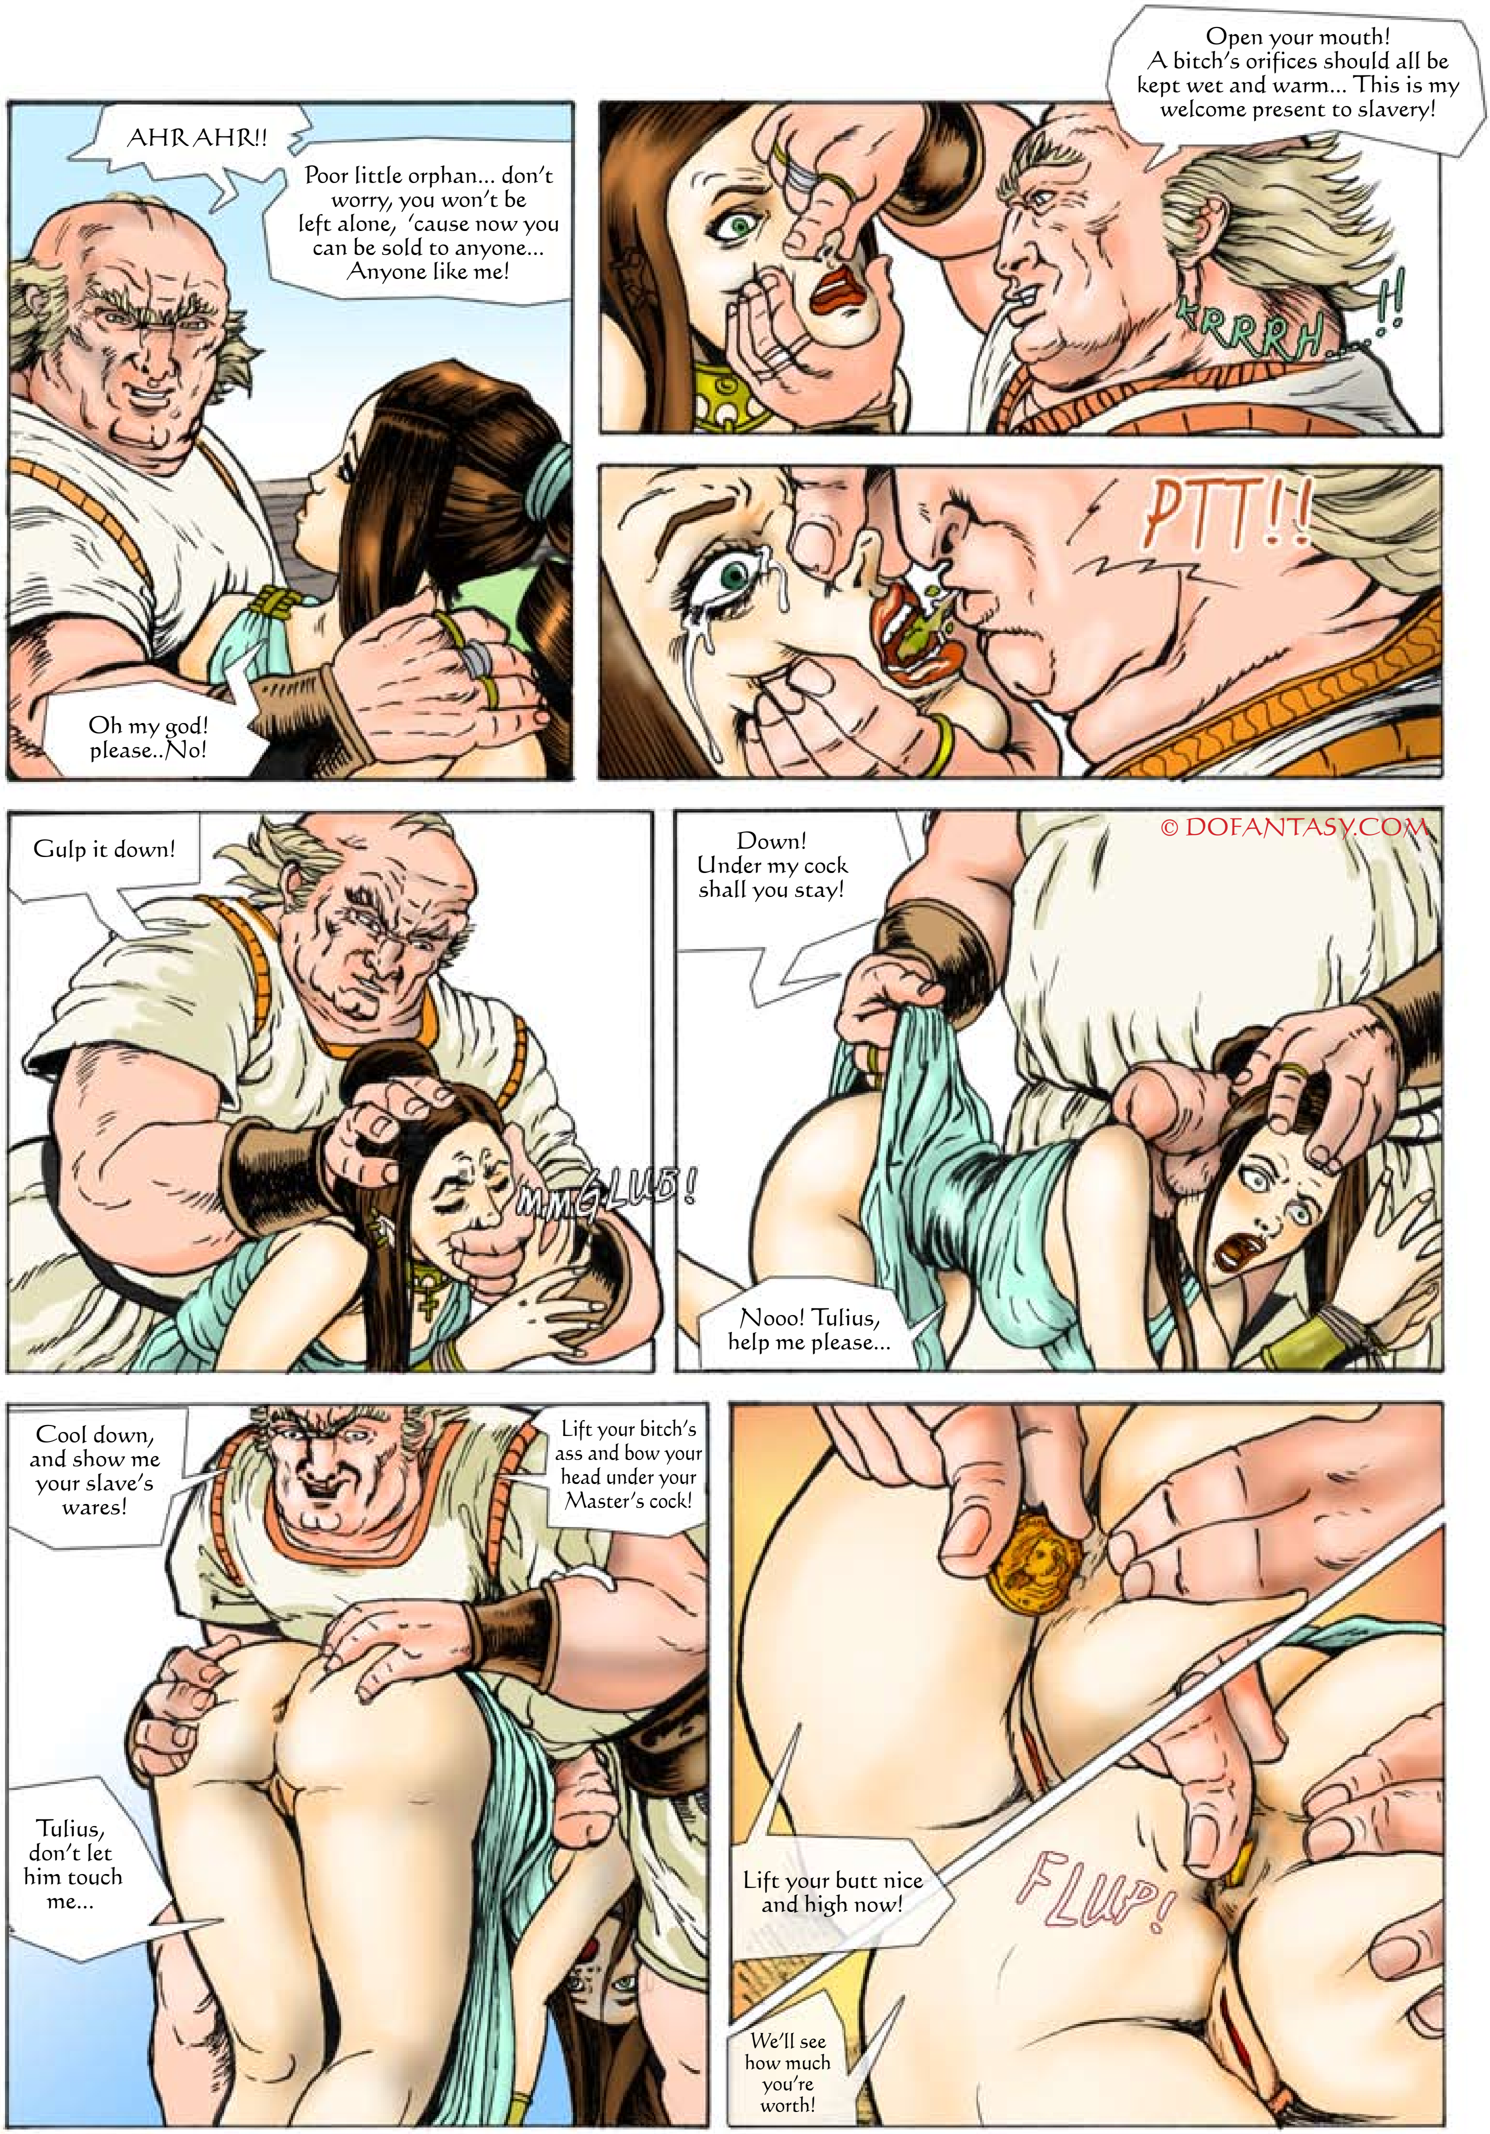

Filthy bastards... my father is an influential man, you will pay dearly for this!
Fool!...
....you don't know what you're talking about.
What you have done will affect the political influence of your father...
Even if he pays your ransom your family's honor will be stained by all this woman's nonsense!
AH!
The people of Rome are waiting to buy your fat Christian boobs!
Yeah... they will pay good money for you and your branded tits! Fresh cunts to shag!!!

Tulius...
Oh, the messenger has returned, Cleia....
Thank God! This nightmare is over...
I'm sorry for Serife....
Sione fell on his own sword when he heard of his daughter's arrest and the seizure of his estate!
It looks like he was full of debts, and he counted on his villa in Tivoli to pay them off... he jumped down the roof.
No! That can't be true...
Daddy!

AHR AHR!!
Poor little orphan... don't worry, you won't be left alone, 'cause now you can be sold to anyone... Anyone like me!

FLUP!
We'll see how much you're worth!

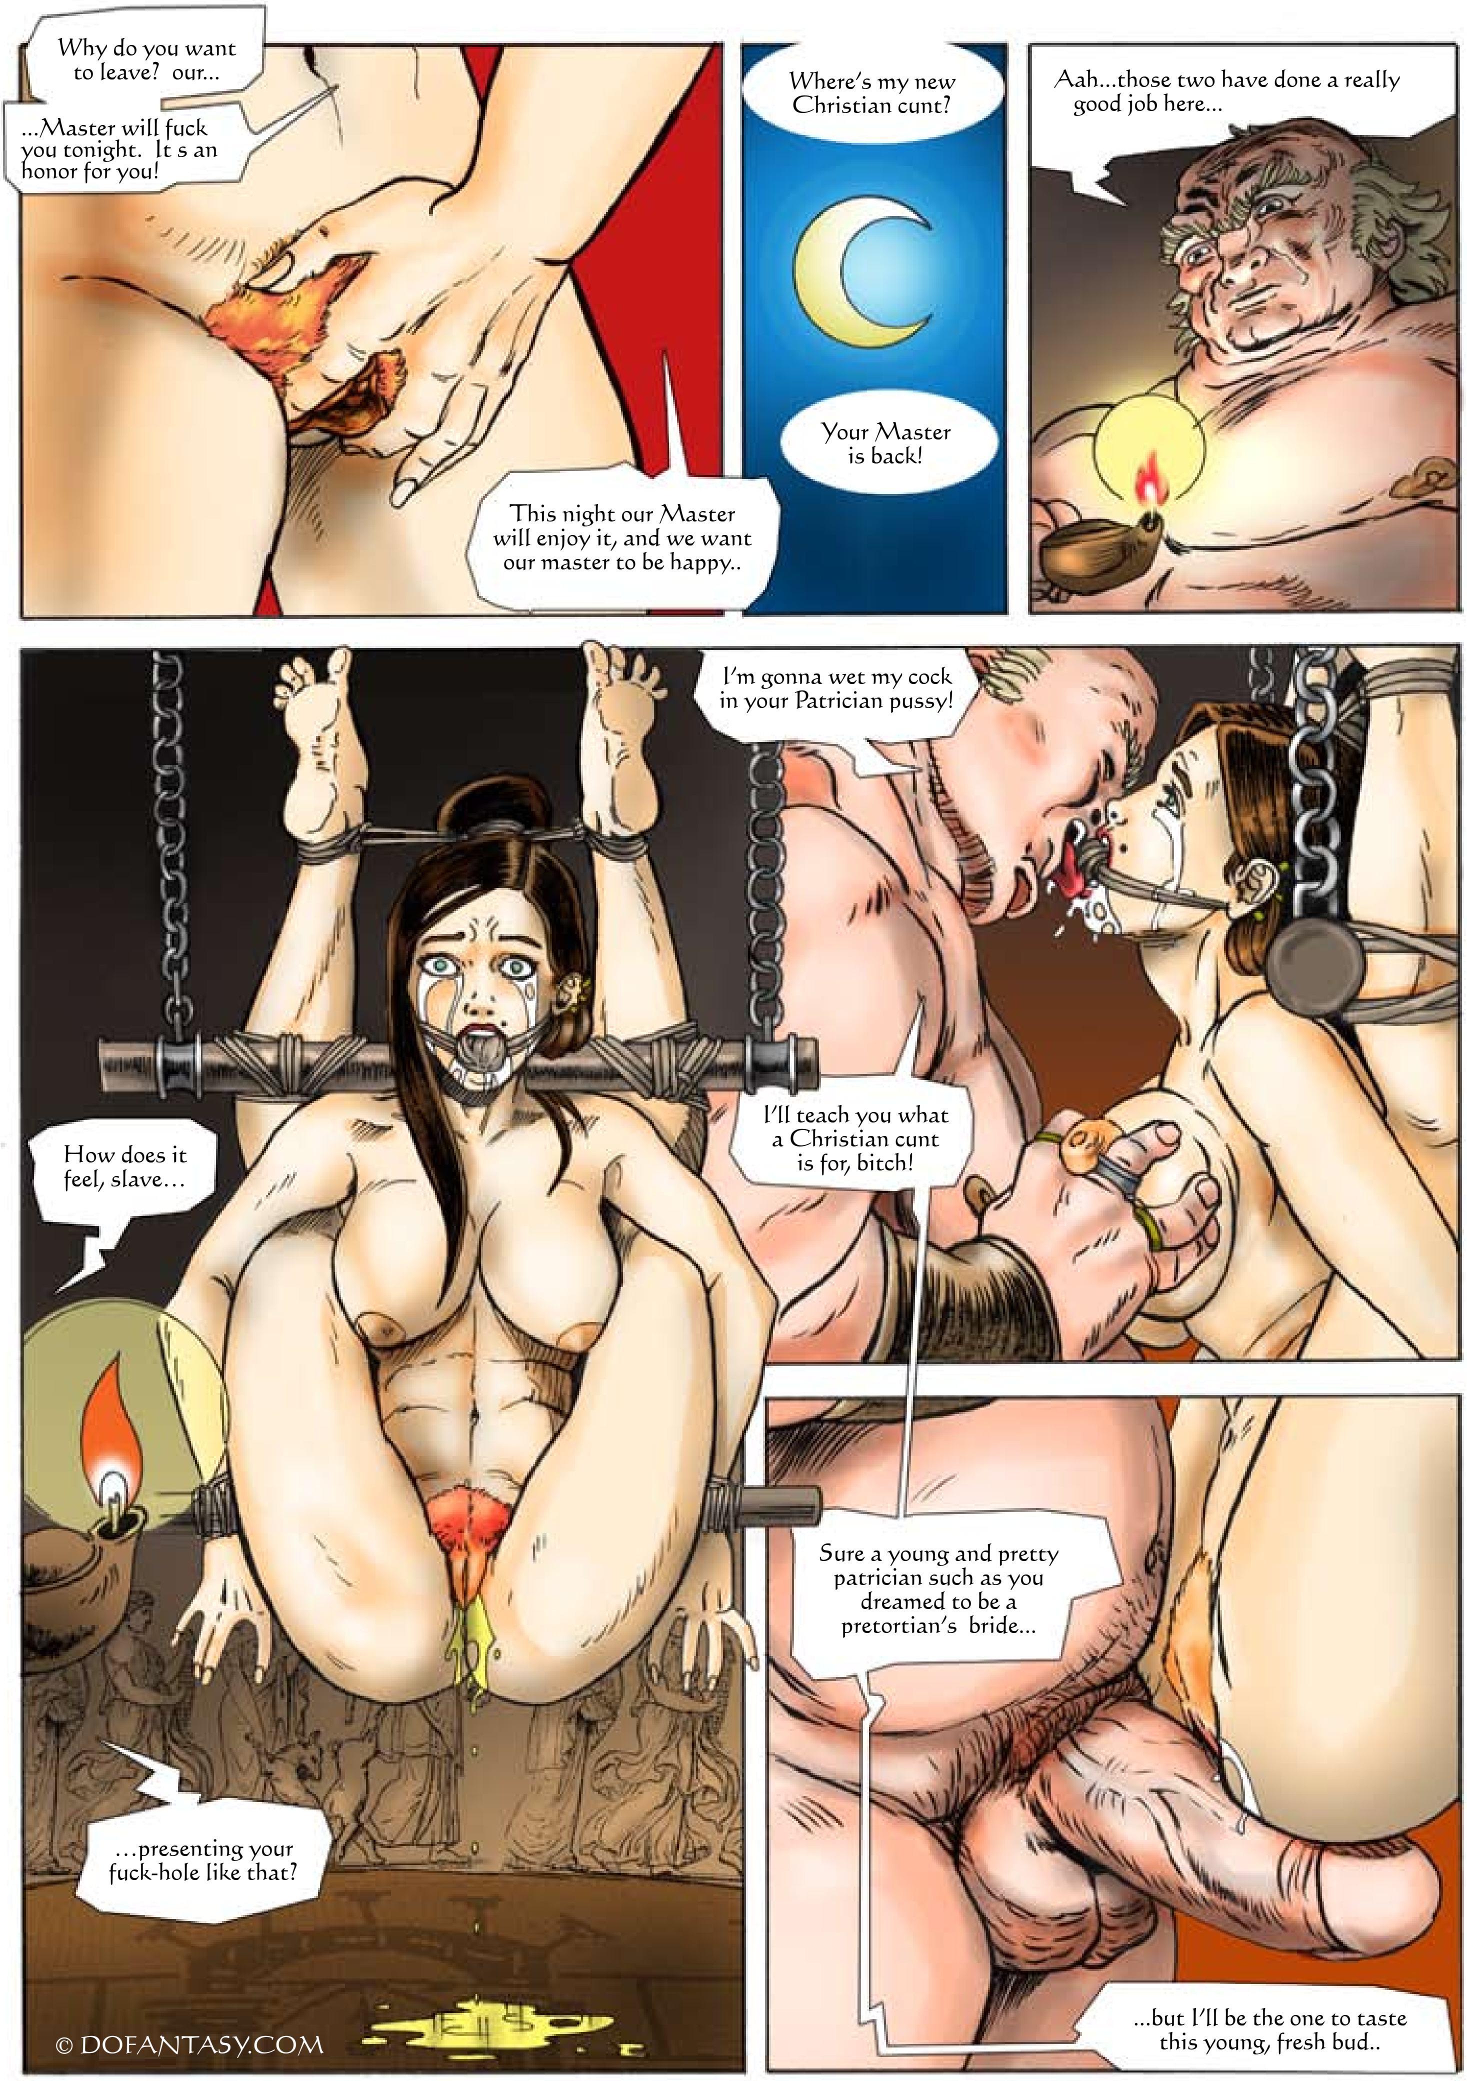

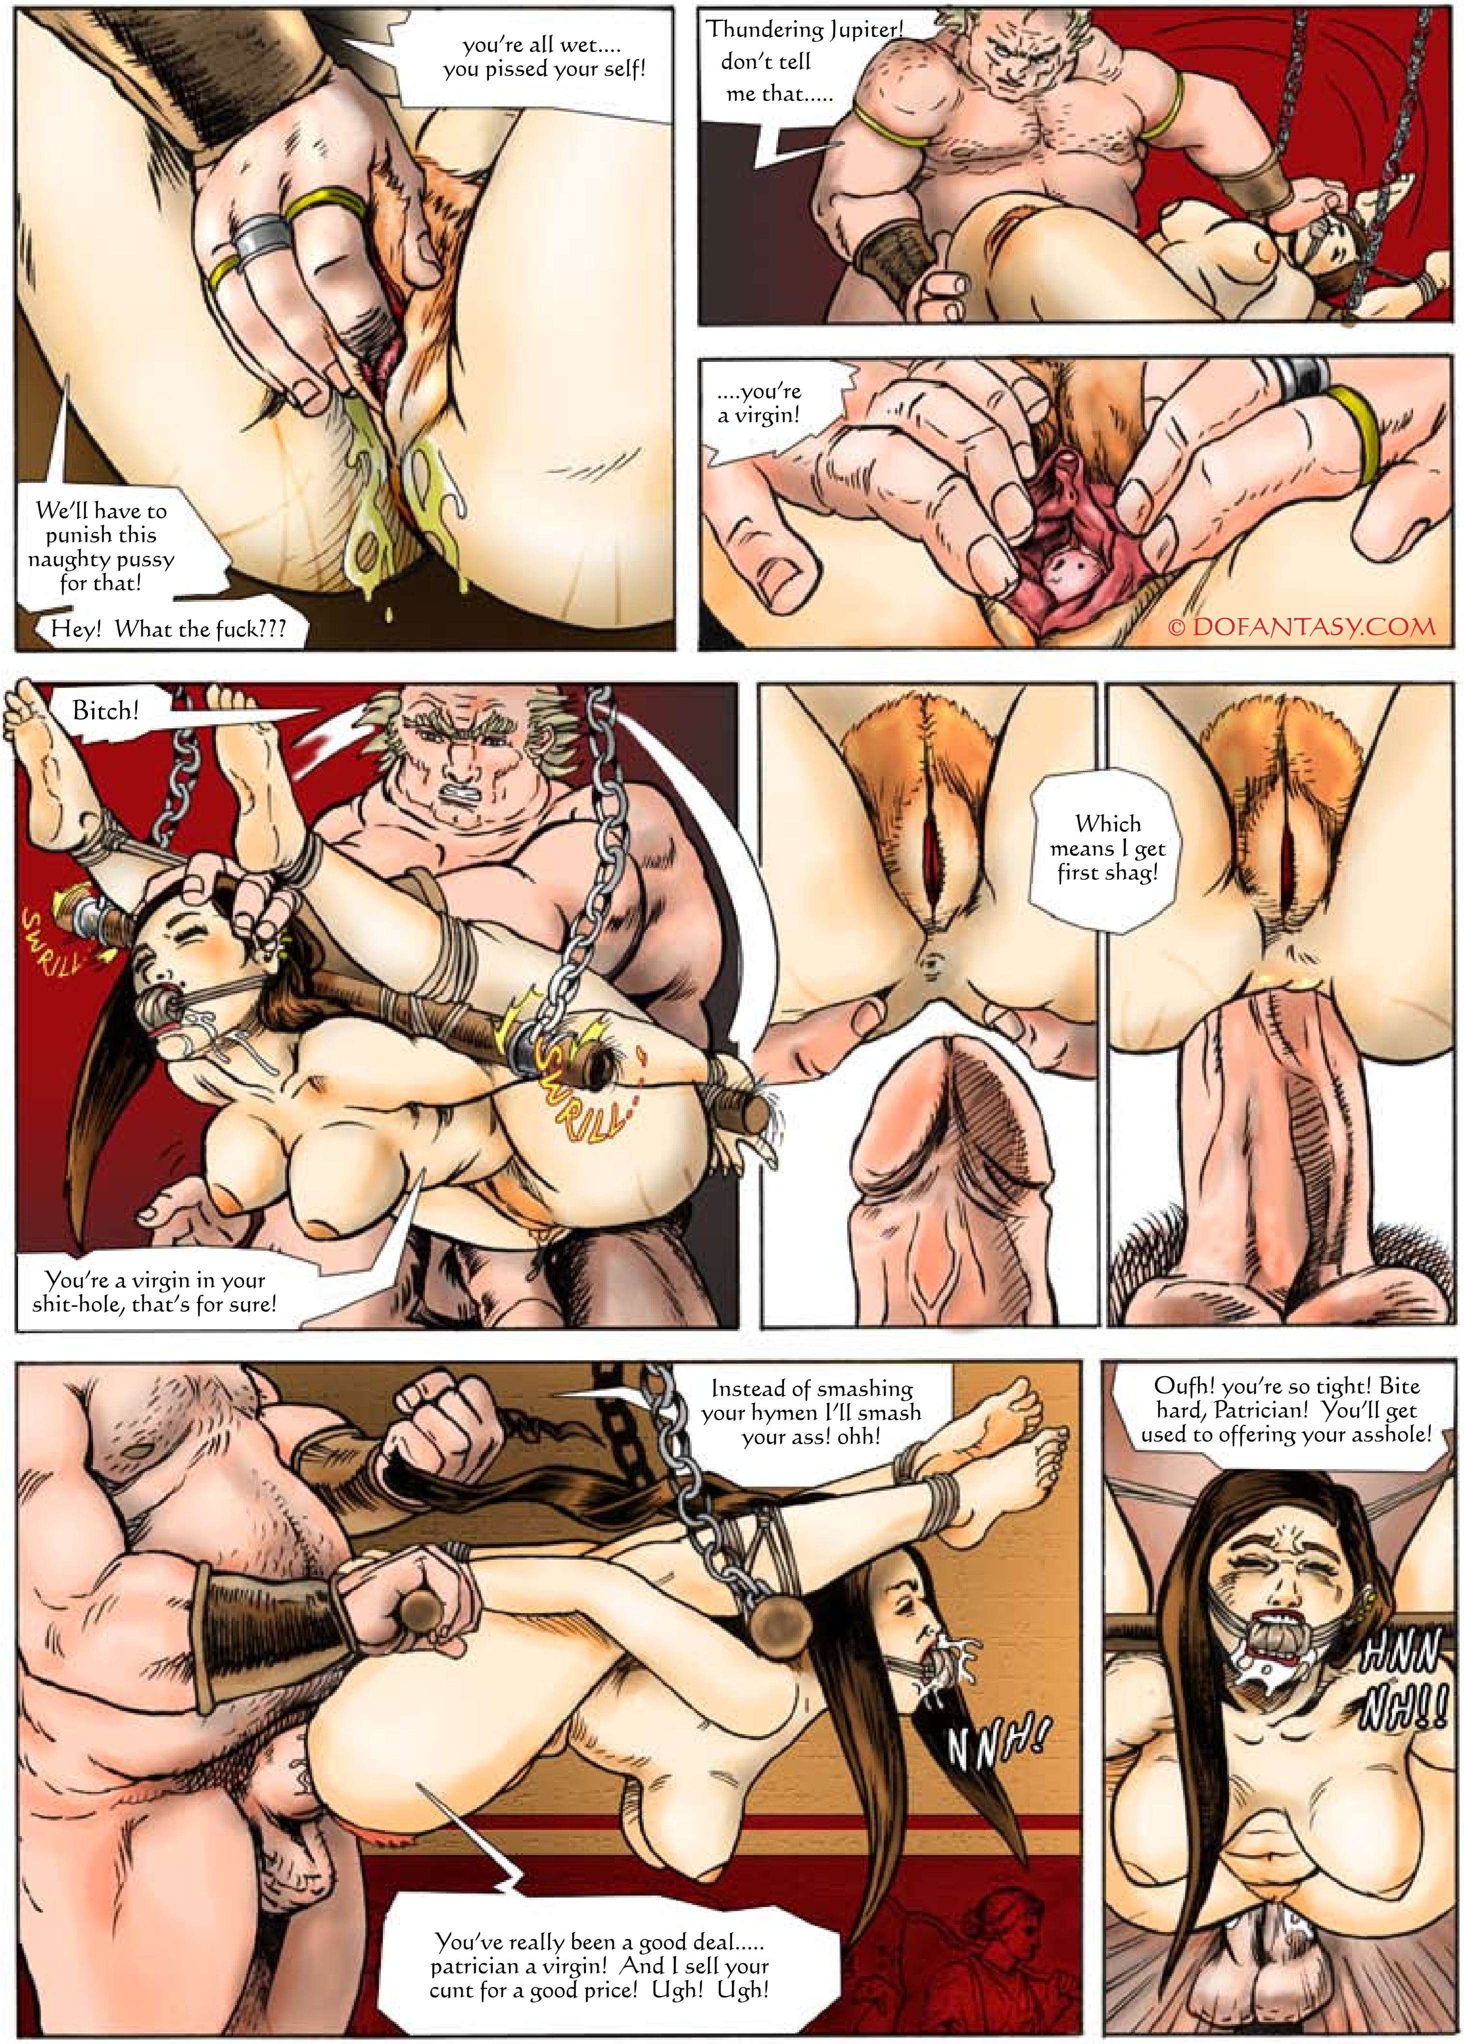

She's got a shit-hole to die for! I can't get my finger out!
I'll give you 1000 sistercii on the nail... No branding though. I know she's a Christian, but marking her would be like laming a Damascan horse.
The laws of Rome impose marking of rebels....
...but , given you 1000 sistercii, I think I will overlook this one.
Take her away. She's all yours!
NUMINTORE'S VILLA
..So what are you doing there, still like an idiot?
Please, Master, have mercy on me! I have lost my father!

© DOFANTASY.COM

Mmmm… not bad for a Patrician. You see how your Master's cock likes it?
The first thing a slave has to learn is obedience. You obey me and my cock, always, and you never question orders.
Your only pleasure in life will be attending to your Master's physical needs…
© DOFANTASY.COM
Lick 'em and love 'em. Love every nook and cranny of my bollocks! Lick 'em clean!

It can't be true.. wake me up! and take me home to my mother and my friends...
...because this must be a dream... a terrible nightmare.. Please for the love of God...

Why are you weeping? Few Patricians have had this honor!!!
This is so arousing.
So pretty, so tearful, so refined! I think, mother, that I'll take this nymph with me.
She will serve the most distinguished cocks in the Senate…
You can get your kicks with your deformed midgets!
Curse you! I won't forget this outrage..
Be wary, sow, next time I will pierce your bowels with something sharper!
Move on, you slave…
Brr… it's so cold outside….
..so idles Persephone in the gloomy bed of Pluto!
Lift your noble breasts, cock-slave!
O sweet God… please, exalted Lord, spare me…
Spare you? From what?..

Being a maidservant and serving the imperial chariot should be a honour!
Praetorians...
Tie this noble maiden to the chariot...

So lucky you are, white nymph, to tow a God towards Olympus...

Hooray for Nero!
Long live the Emperor!
Nero! Nero Nero!

Whoa! Hey there!
My Grace, have you had a good walk?
Yes, thank you... They're a good pack of bullocks! Make sure they get ready for dinner.
Sure thing, Divine Emperor...

Brr ...!! Even icier today, you bastards!
SPLASH!
Ow! What happens now?
They wash us... like animals.
Noo!!! I've got a sore back! OUCH!!!

Silence!
Animals don't wail like you do…
Who's the rookie, chosen by the Emperor?
This one, magirus Octavius!
Easy to spot as she complains a lot…
MMH…What's your name, slave?
splash!
© DOFANTASY.COM
Hey, wake up! What's your name?
TUD!
Cl… Cleia, daughter of…
Yeah, yeah. Tell me, Cleia, when did you eat last?
…yesterday… afternoon…
Hold your buttocks high!
Aouch ouh!
It is essential you have no trace of excrement in your bowels.
This is a swab made of sponge and plaited horsemane. We have to be careful not to touch your pussy..
Cut it out, you!
... I will clean you very deeply.

Not only must her pussy be clean, but it must be dry up to the bowels!
AAH!! Oh my god! It's burning! Nooooo!!!!
Keep still! Relax! If you tighten up you'll get sore fuck-holes!
I am the Magirus, the Court cook, and must make sure that the dishes are served efficiently... therefore listen to me, and try to learn quickly...
...because dinner will soon be ready.
© DOFANTASY.COM
I see the slaves are moving their tits at last!
Thank the gods, it's dinner time!
Where's the Emperor...?
Let us begin, my friends...
Nero, my sweet husband, likes theatrical entries!
Here they come, the caryatids... they bring the main course inside a goblet tied to their heads...
This one is ready. GO!
Caryatids proceed on all fours, showing all the different courses in your pretty buttocks!!
Ah, roe buck with gorum sauce... c'mere, slave!

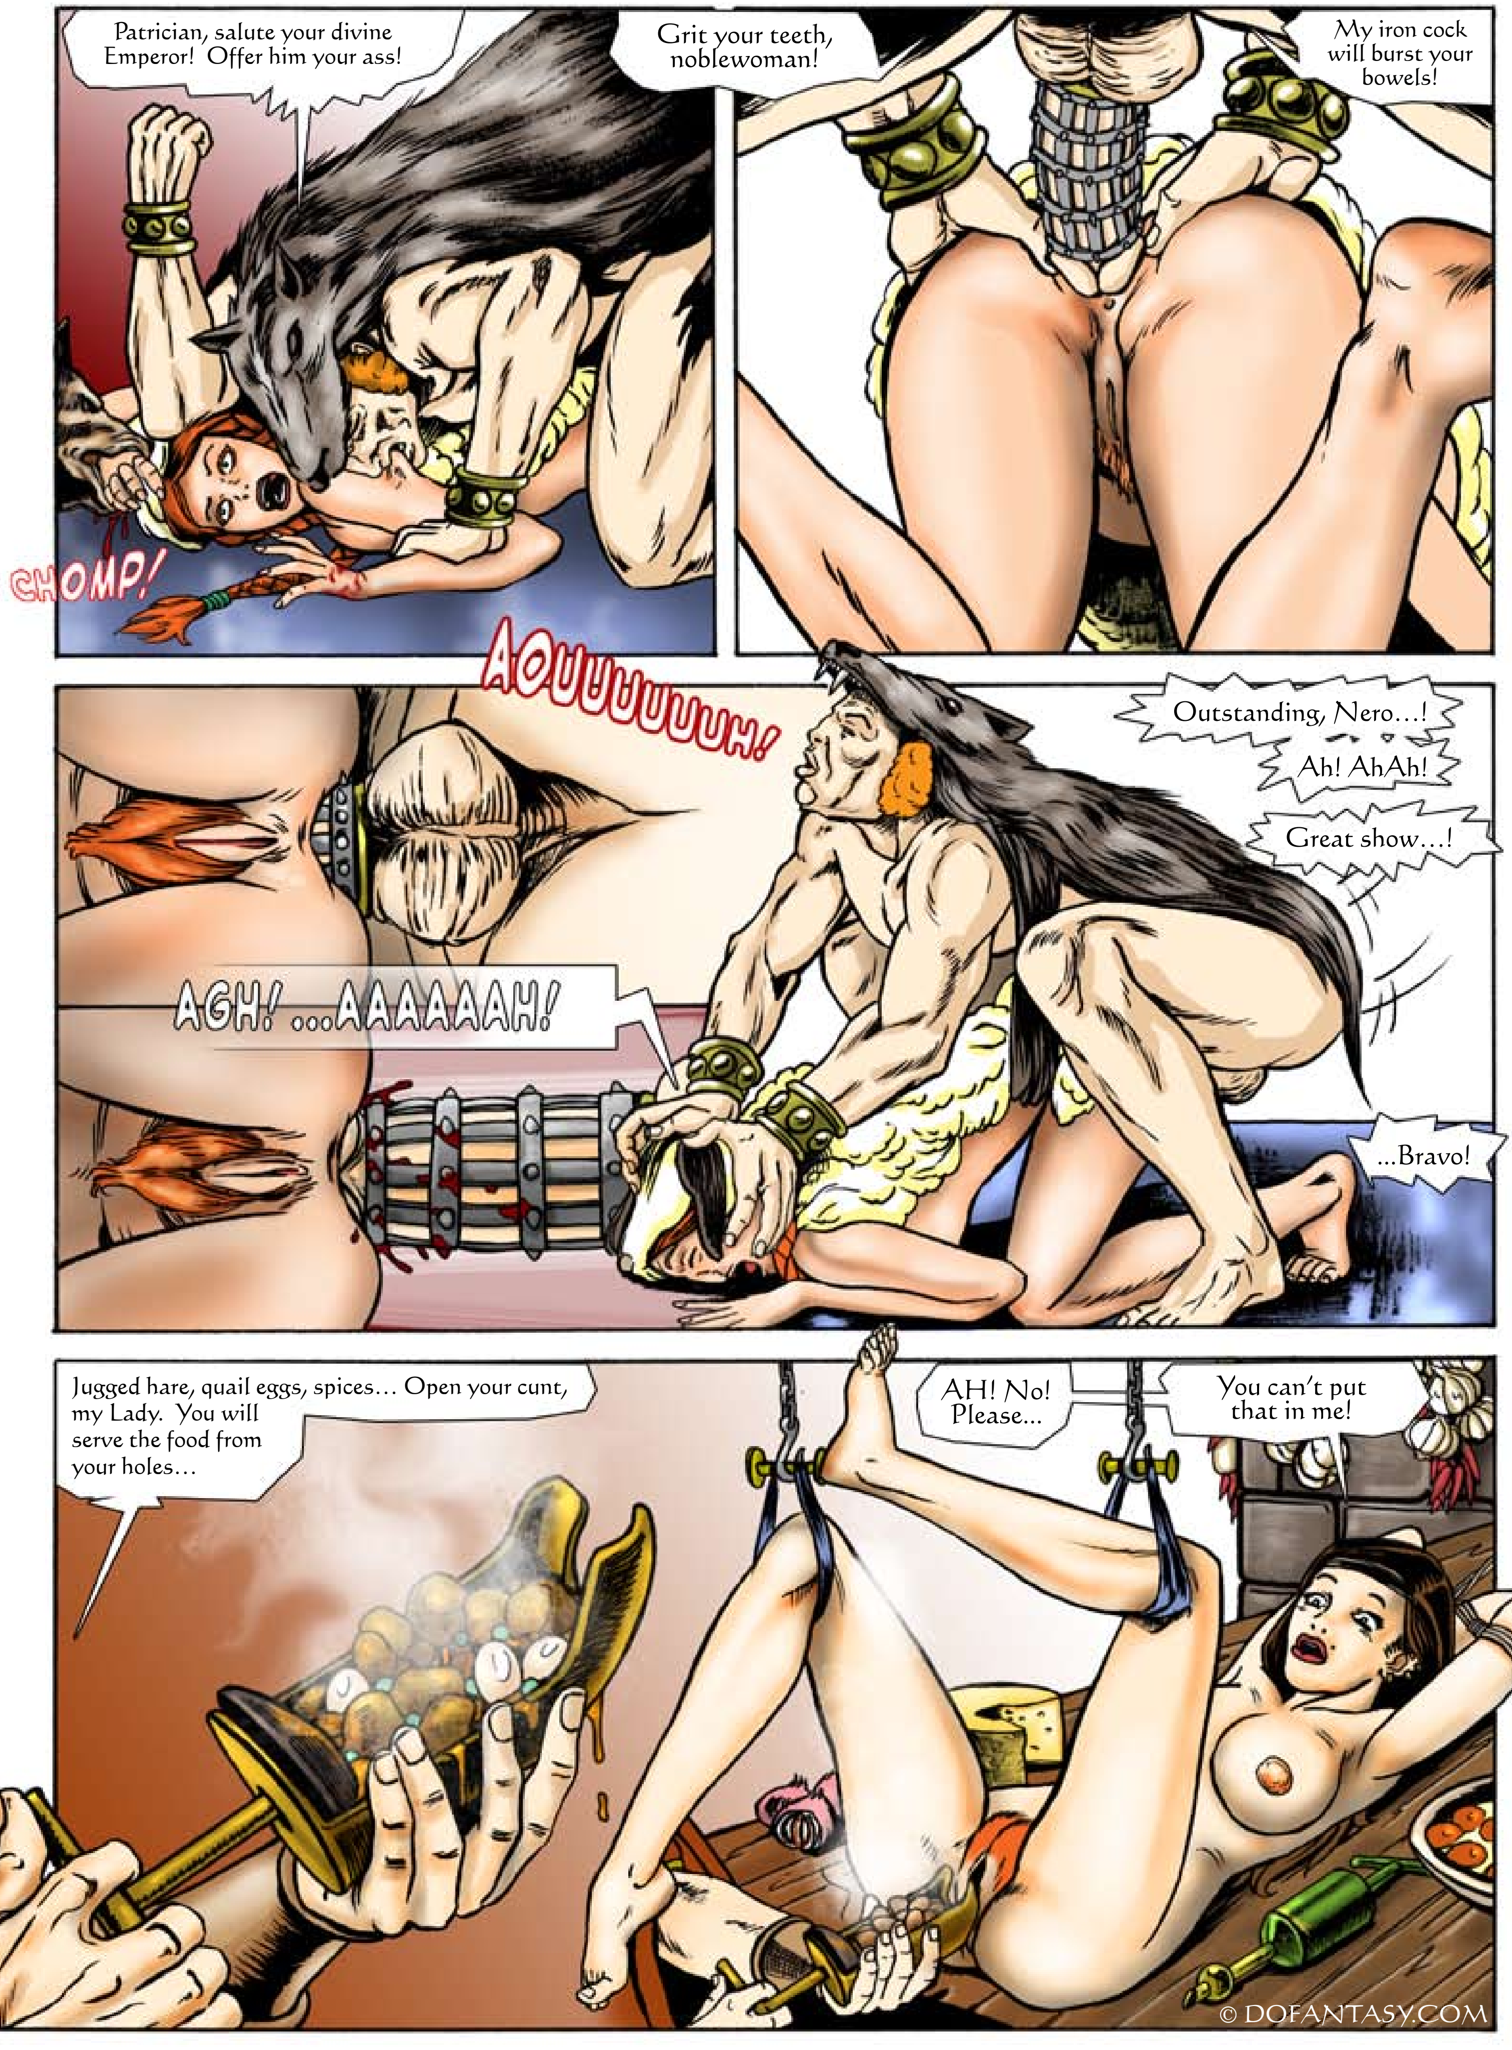

Guests choose what they want to eat... and while they gorge themselves, the slaves please them with some mouth service...
Caryatides must always have long and smooth hair, so that guests eating the main course...
...can clean their hands or dicks on it.
They are well-trained servants, and they serve women as well as men...
Aah, these honey-spiced asparagi... delicious!
Pity I can't say as much for the Caryatid!
I know a trick to make this dull face more intriguing ...
A bit spicier ...
WNH!
Stay put...!
CEEEAH!
On the central triclinium lies Poppea, Nero's spouse. She hates servants, she's jealous of every other woman!
Look at the bitch, isn't she prettier now?
Lick me! Serve your Lady faithfully...
Get your tongue onto my clitoris, slave, and press harder!
Aaah lick, lick!
© DOFANTASY.COM

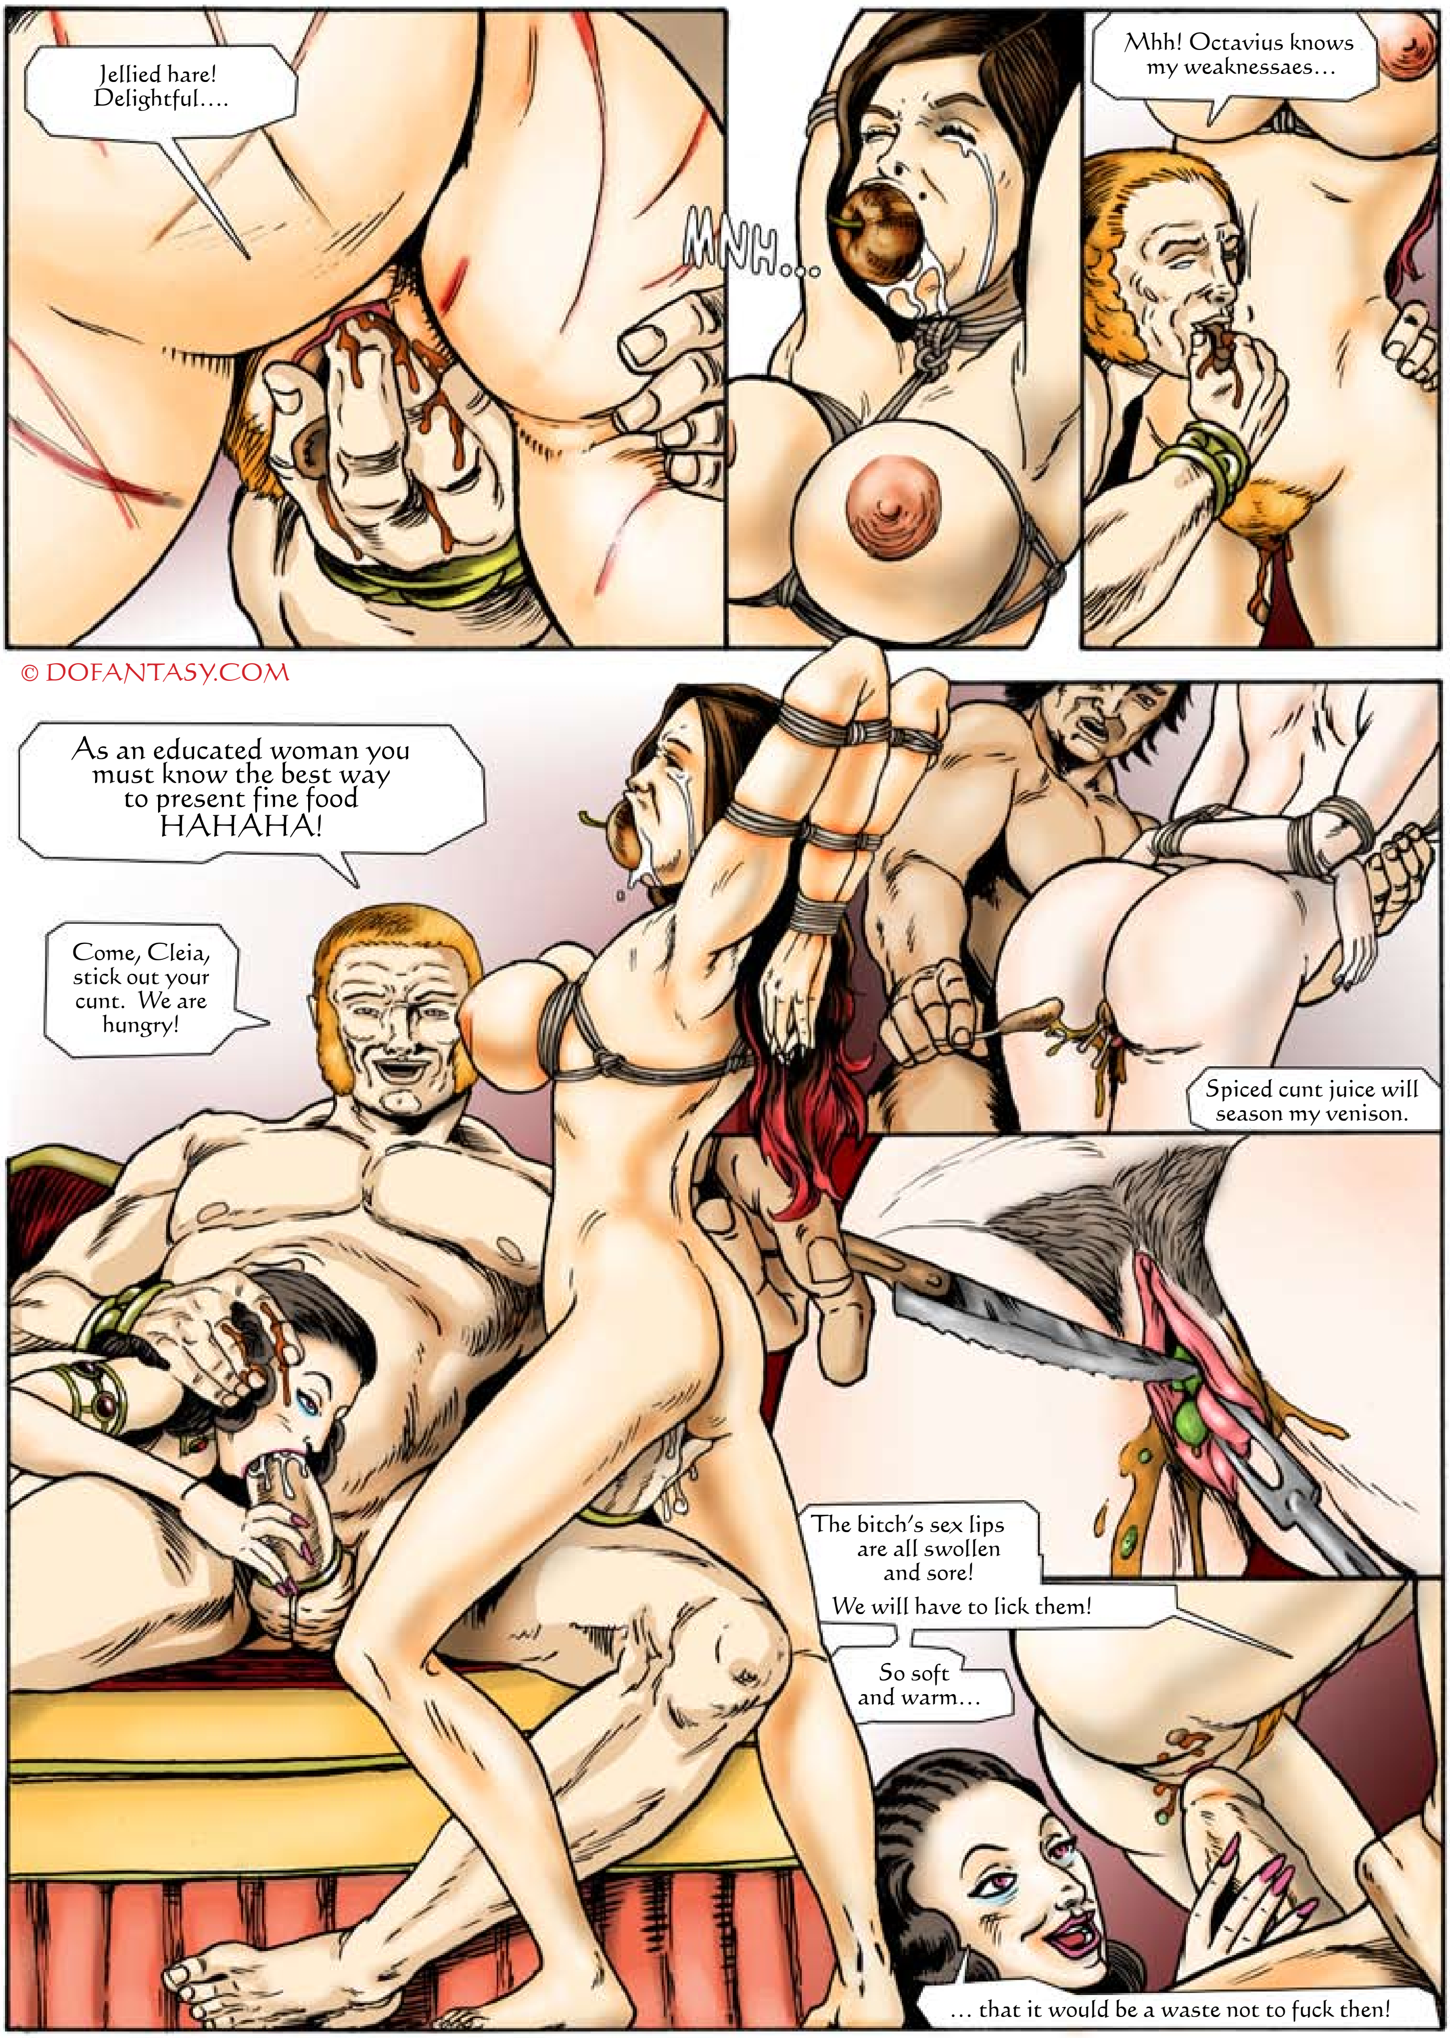

You whore, I'll put your eyes out if you don't make me cum…
AAAH! Open wide, bitch, swallow it all…
SPRUITZ!
Ahhf...mmh...!
Stop it!
This bitch is useless! Cut her tongue and her nipples off!
Ah, this sweet flute tune... what the?!?
BAAAH!
BAAH!
…Fuck, is there a sheep in the palace?
Nero is coming. He loves a theatrical entrance!
Huh?
Hurry up, to the kitchen…
It will soon be your turn, you shall be in charge of the Emperor's victual.
© DOFANTASY.COM
Listen to her bleating!
Baa! Baa!
I recognize this slave... a British queen whom I presented to the Emperor!
Britons are like beasts, they spend so much time with their flocks that they prefer sheep to women... Their wives are desperate. They dress up as sheep to get shagged!
BAAAH! BAAAH.....!

This one? A queen? I'd kill myself...
...rather than suffer that humiliation!
BAAAH...
Now we have prey and predator!
WORF!
GRRR...!
...RRRH!
WORF!
AAHEEEEH!
WORRRR!
WORF! WORF!
So sang the doe
At bay in the hills of Rome
As the hound sank its teeth
And the arrow
struck home...
The Emperor...!
Hooray!
Then the wolf shed its skin
The Emperor stood proud,
his phallus was firm
And the doe screamed loud!
© DOFANTASY.COM

Patrician, salute your divine Emperor! Offer him your ass!
CHOMP!
Grit your teeth, noblewoman!
My iron cock will burst your bowels!
AOUUUUUUUH!
Outstanding, Nero…!

SQUIRT!
In it goes!
The Emperor's slaves carry sauces and jellies in their mouths. But I can't risk you spitting it at him, so we'll block your mouth with fruit.
GLUB!
Hold your tits high. Offer all parts of your body to those who demand it.
Are we ready?

Ready, sir…
The Emperor's food-bearers are stuffed to the full…
Good, good! Let the guests in before the slaves' holes start leaking!
Aha eh eh!
So, friends, you've plundered my kitchen... and what's left for me? Oh, here are the servants... let's see if Octavius will amaze me today.
Wonderful exhibition, sweet Lord…
ARF! ARF!
What are you doing, sweet nymph...
Don't be afraid! It's a normal thing for barbarians to copulate with animals!
Come here! You will feed my stomach and my bollocks!

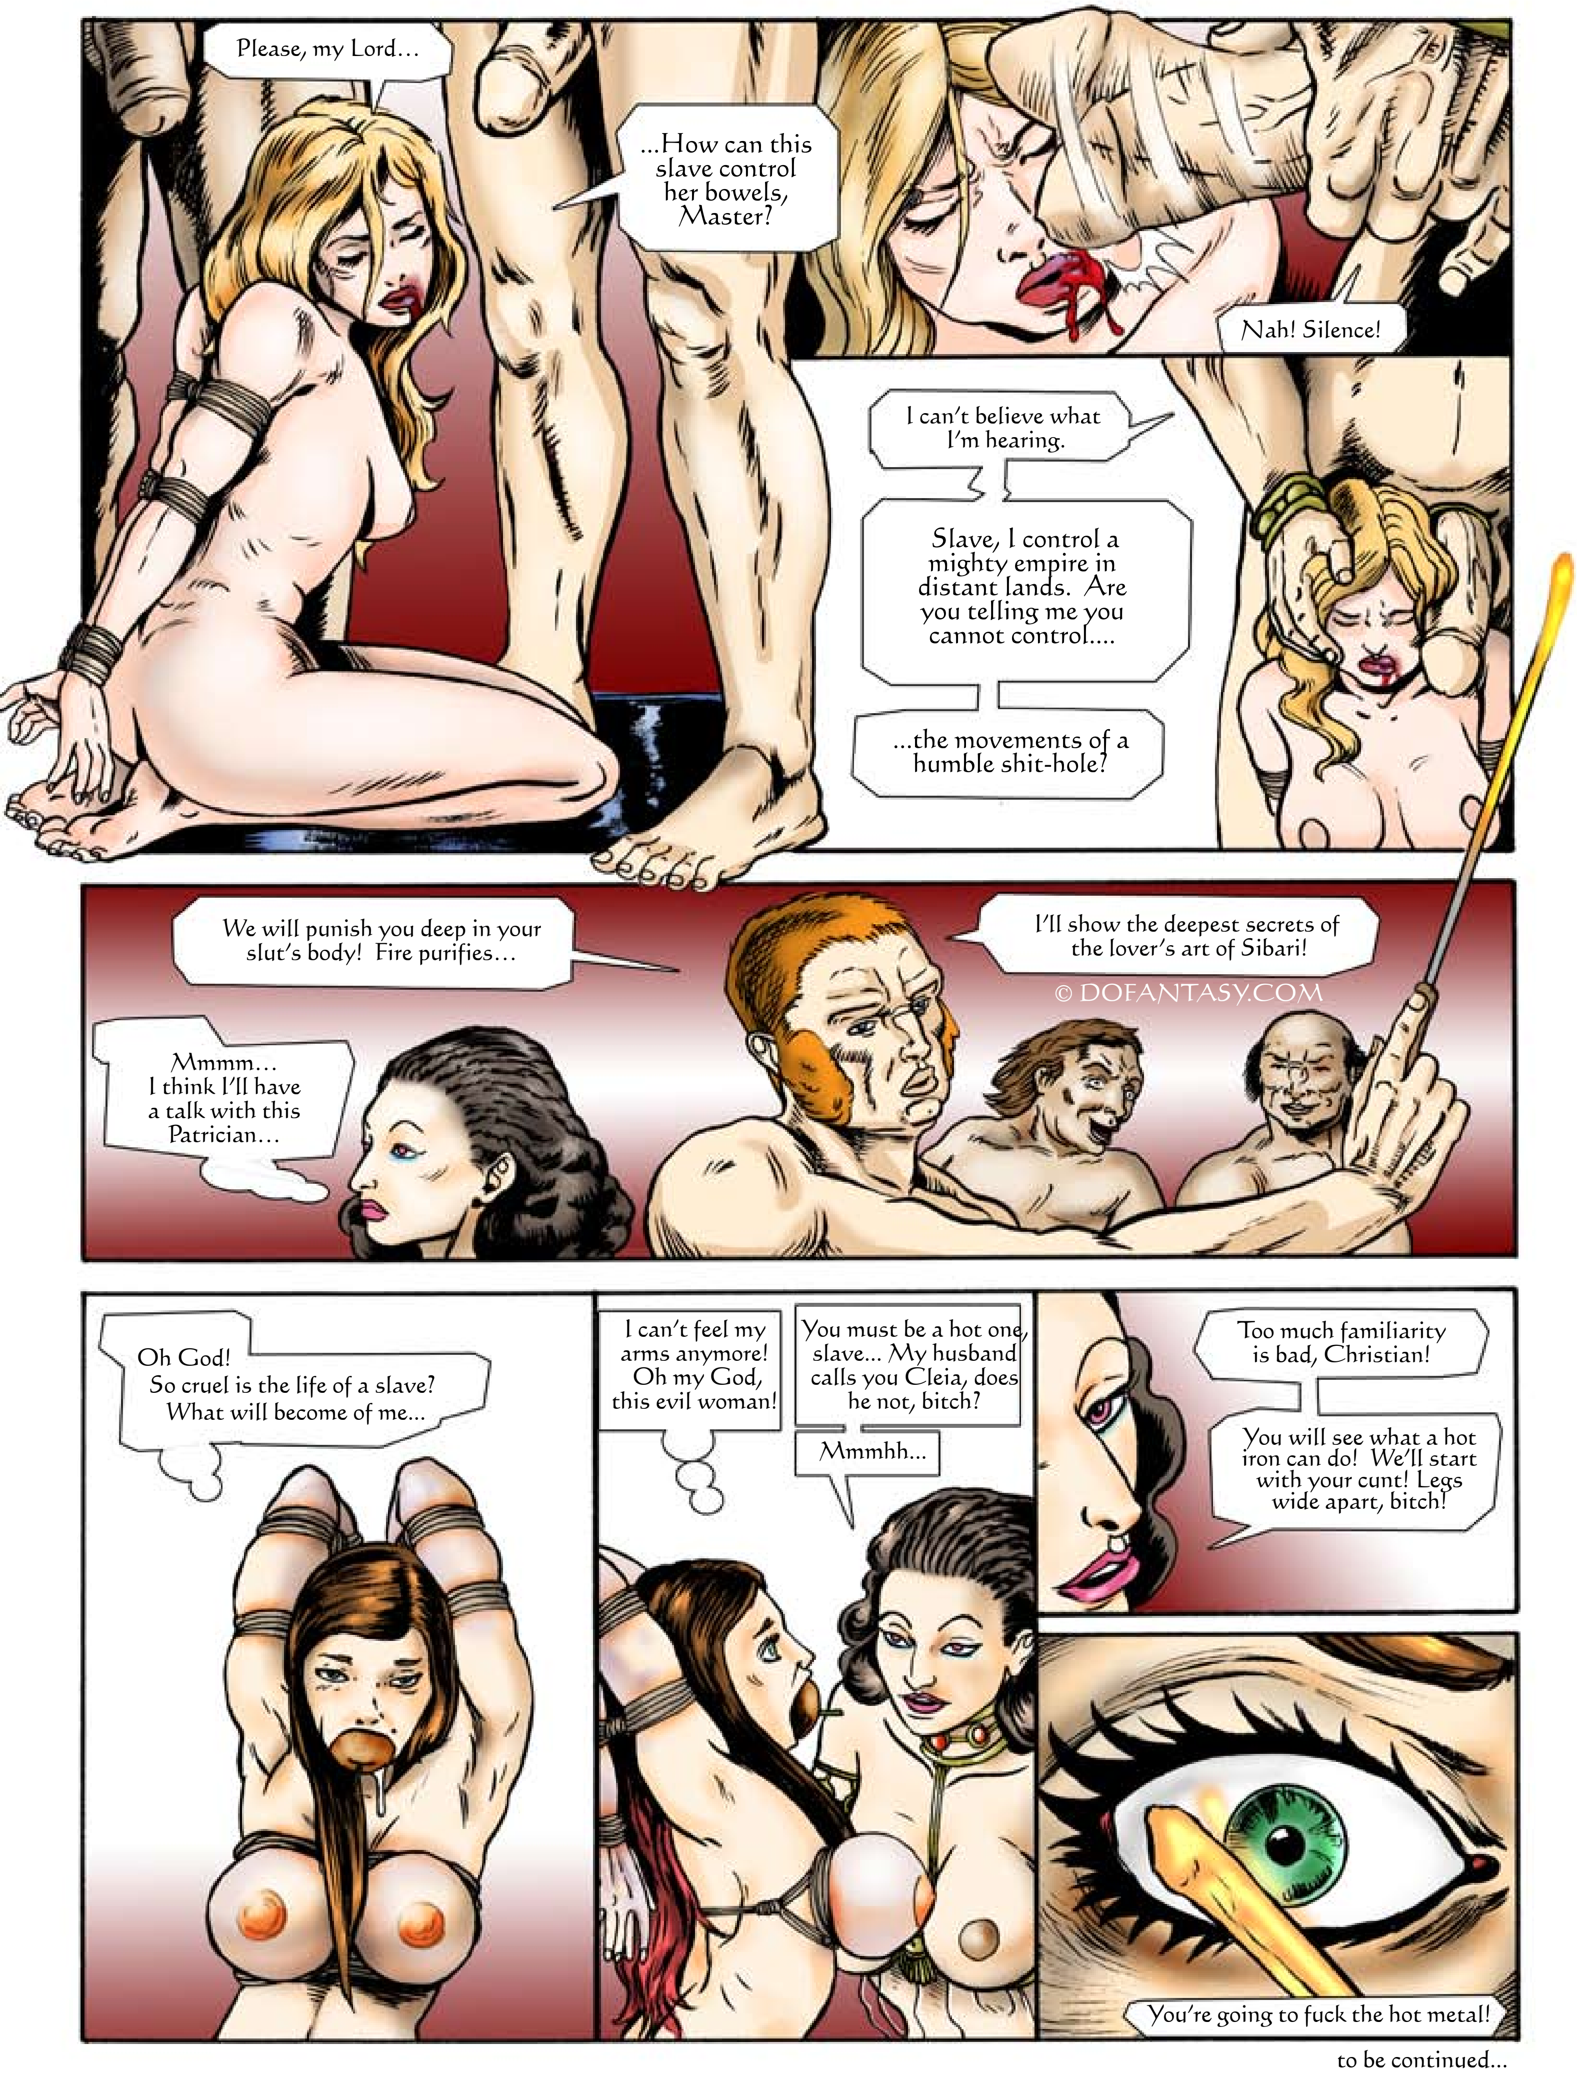

Jellied hare! Delightful....
MNH...
Mhh! Octavius knows my weaknessaes...
As an educated woman you must know the best way to present fine food HAHAHA!
Come, Cleia, stick out your cunt. We are hungry!
Spiced cunt juice will season my venison.
The bitch's sex lips are all swollen and sore!
We will have to lick them!
So soft and warm...
... that it would be a waste not to fuck then!

Fill the Emperor's chalice, Christian!
If your religion speaks true, there is great virtue in your cunt!
Pour my drink!
Quit whimpering and pour the drink, slave! NOW!
Let it go! Squeeze!
Fill your chalices, it is time for a toast!
This is the most precious liquor you'll ever taste!
A nectar for Emperors and Gods!
Fresh and warm from a secret shrine!
Argh! Damn bitch! Cursed murderer!
PROOTLL!

What were you trying to do? Poison me, huh!
I plead for mercy, forgive me…!
Tigellino, why are you wasting my victuals? … I hate the sight of blood…
© DOFANTASY.COM
Heavenly one, this bitch has soiled our liquor, wasting our toast and spoiling such a precious beverage..
What's up? Don't you like it? It's your stuff.. drink it up!
Lick it up! All of it!
Stop it, Tigellino! I can't bear such vulgarity! Lift her up.
Have mercy, Divine One!
